Lead Counselor- Special Needs Shadow Program
Special Needs Shadow Counselors
Camp Nurse

Camp JCC seeks Counselors for the 2018 Summer Day Camp Program who love working with and having an impact on children. Must have loads of energy and be interested in an amazingly fun summer job!

Camp JCC Counselors are the single most consistent presence in the experience of each camper, and so have the greatest potential impact on each camper's summer. This responsibility requires careful attention to the physical and emotional safety of each and every individual camper within our program, and to the overall development and formation of Camp JCC as a whole.

All staff members are hired for their ability to facilitate memorable experiences for our campers.

A complete background check is required and each Counselor hired must participate in an extensive orientation program.

Applications available at: www.campjccvb.org

For more information contact: Taffy Hunter, Human Resource Director (757) 965-6117

Submit completed application to:
Simon Family JCC
