June 15 - August 14, 2020
Simon Family JCC • 2-year-olds to teens
Welcome to Traditional day camp occupies a special place in our hearts. That’s probably because we’ve been campers and counselors ourselves and know the fun, comraderie, and growth that take place in a nurturing and exciting camp environment. Together, we’ve got great plans to create memorable experiences for all Camp JCC campers this summer! Naturally, we’re looking forward to spending a summer surrounded by the positive energy of the staff and campers and growing together.

The adventure of Camp JCC begins soon. We hope you’ll join us for a summer filled with friends and good times!

What to Pack
Campers need the essentials each day: t-shirt, shorts, bathing suit, sunscreen, swim diaper (if applicable), towel, sneakers, and a water bottle.

* Contact the camp office about any medication or individual needs for your child.

Drop-Off/Pick-Up
Morning drop-off is 8:30 - 8:45. Our camp day starts at 8:45 am. Half-day campers will be picked up at 12:30 pm and full-day pick-up is at 3:30 pm. Parents with children in Camp Katan (lower) must walk their child into camp. Before and after care options are available.

Lunch and Snacks
We ask that campers be sent with lunch each day, keeping in mind that camp is peanut-free and requests Kosher-style lunch (no mixing of meat and dairy products, and no pork or shellfish products). Camp JCC serves a Kosher snack every morning and afternoon.

* Please let the camp office know about any allergies or specific dietary needs your child may have.

Beat the Heat
We love having as many of our camp activities outside as possible. In the event of extreme heat, we make sure that campers are hydrated and adjust our schedule to include extra swim and more time in shaded areas and inside.

Safety
Our first priority is the health, safety, and well-being of the entire camp community. We have emergency action plans as well as behavior guidelines to maintain a healthy environment for our campers and staff.

Communication
Open communication between our staff and camp families is key to an amazing summer. This includes weekly communications with notes for the upcoming week and camp highlights. Please be sure we have your current e-mail and phone information.

Forms
Campers are required to have their medical forms (allergies, dietary restrictions, medication, immunizations, etc.) on file. In addition, consent for record sharing, medical authorization, and sunscreen are required. All forms are available through the online registration portal.

Teen Camp is about having fun and giving back. Three days a week, campers will participate in exciting off-campus activities such as paddle boarding, overnight camping trips, and more.

Teen campers also have the opportunity to plan their own special projects and give back to the community through various volunteer activities.

The combination of recreational activities and community service projects contribute to a memorable and meaningful summer camp experience.

CI Ts (Rising 9th and 10th Graders)
Our Counselor-in-Training program allows teens to gain leadership skills and experience working with children, while enjoying the traditional camp experience.

CI Ts will receive training that emphasizes life skills such as teamwork, conflict resolution, and self-confidence. CI Ts will implement special camp activities throughout the summer, preparing them for future roles at camp, school or in the community. This is a junior leadership position that requires an interview and offers a modest stipend. For more information, contact Nefar Trem at 757.321.2334. Limited space available.

Yachad
Camp JCC strives to provide every child with the opportunity to enjoy our summer camp programs. The Yachad program consists of specially trained camp staff who are able to provide campers with accommodations and supports for a variety of physical, emotional, intellectual, and developmental needs.

For more information and to help determine if our summer camp is the right fit for your child, please call Michelle Fenley, LCSW, at 757.459.4640. If interested, a required one-on-one meeting will be scheduled to allow us to learn more about your child’s strengths while exploring accommodations and supports that may benefit them during the camp day. Availability in the program is limited.
